

Passion Exploration Guide

- 1) If you could do anything in the world for free, literally anything, what would you do?
- 2) What is your competitive advantage? What are things you do unconsciously well that people tell you that you are very good at?
- 3) What is your emotional connection? As you look into the world; local, national or international what are the things that you see that make you ANGRY, HAPPY or SAD that requires you to take some sort of action to do something about it or to contribute to something already happening!
- 4) What do you love to do? Simply put, what are the things that you currently engage in or engaged in your past that just made you happy!
- 5) What are brands/companies that you love? One you wear, or buy for others. What are ones that inspire you? Literally anything!
- 6) If you would not have went into your current career field of school psychology; what would you be doing instead? What was the back-up career? Which many times should have been the first one?
- 7) If you could switch jobs with anyone you know whom would that be and why?
- 8) What's the most important benefit in a new job/career that would make you the happiest at this point in your life?
- 9) What do you love the most about your job now?
- 10) If you could take on additional responsibilities that might get you closer to your passions in your current job what else would you do?
- 11) If you had a free Saturday to build a project what type of project would it be and why?
